# Healthweigh® Multifunction Handrail Scale

**H250-00-4 (Non-Class III)**

The Multifunction Handrail Scale has an original design. The stable, integrated seat provides the patient with a safe and comfortable weighing process. The seat can be easily lifted, thereby enabling the patient to be weighed while standing as well, supported by the robust handrail. Equipped with an extremely robust handrail, and high capacity, Healthweigh's Multifunction Handrail Scale is essential for any hospital or clinic that treats heavier patients.
